

COVID-19: PEAK ENCOURAGES THE USE OF ONLINE STATEMENTS

As a responsible corporate actor, PEAK's number one priority is the health and safety of its clients, advisors and employees.

Following the recent series of government recommendations about limiting the spread of COVID-19, we strongly recommend the online statement solution rather than the paper statement you are currently receiving. By doing so, you will also be contributing to the environmental cause.

PEAK offers an online statement solution to all clients. Monthly statements for all your accounts are available on the secure MyPEAKOnline portal.
